The Masterclass Event

There will be 7 instrument specific Masterclasses taught by the BEST professional musicians in the Louisville area. Their resumes include The Louisville Orchestra, KY Ballet & Opera, and University Instructors. Students will work on technique and ISSMA pieces and be treated to a private performance by each Masterclass Instructor.

New for 2017... Recitals!

Recitals are an important part to developing each musician's talent. Recitals teach our student musicians how to cope with nerves and helps to build a strong practice routine. We also want our students to have the best possible experience competing in ISSMA Solo & Ensemble competitions.

Notes

- ♫ 6th & 7th Grade Percussion must bring Bell Sets to The Masterclass.
 - ♫ Sheet music for each solo and ensemble will be provided at NO charge.
 - ♫ ISSMA is divided by playing level, beginning musicians to collegiate level musicians. Mr. Peterson will select your students current playing level.
 - ♫ Ensembles are open to students in grades 7th-12th
 - ♫ Solos are open to students in grades 6th-12th
 - ♫ Please keep Saturday, February 4, completely open. ISSMA will provide us with your student's performance times & room numbers, approximately 2 weeks before the event.
 - ♫ Students are expected to have their pieces well rehearsed before The Masterclass and recitals. **The Masterclass is NOT the time to work on learning the notes!**
 - ♫ ISSMA awards are based on how well your student performs their piece of music.
- Practice = GOLD**
- ♫ Professional dress is **EXPECTED** for The Charlestown Band. Dress pants, shoes, shirt, belt, dark socks, long sleeves are preferred. NO short skirts or sleeveless blouses.
