

Dear Parent or Guardian:

Since your student is a part of the band program at either Charlestown Middle School or High School, we want to take this opportunity to invite you to participate in the Charlestown Band Boosters Association and share in your musician's experience.

The Boosters are a non-profit organization dedicated to providing support to students, the band director, and all band and color guard programs.

Our middle and high schools offer amazing opportunities for involvement for students: Concert Band, Marching Band, Color Guard, Pep Band, and more.

As you can see, with that many programs to support, we always are in need of more parent volunteers! You can help us by volunteering with our fundraising efforts, writing a grant, event planning or serving at an event. All levels of commitment are appreciated.

The best way to stay informed of all the activities is to come to a Band Booster meeting which is held on the first Thursday of every month at 7:30pm (the next meeting is on August 4th) in the high school band room.

The success of any school organization is built from the involvement of parents. With your help, we can continue the success of our band program.

We look forward to meeting each of you!

Sincerely,

Ryan McCracken
Band Booster Secretary
