What is ISSMA Solo?

The ISSMA Solo is a competition where you get to show off your talent! The ISSMA Gold, Silver, & Bronze awards are based on how well you performed your piece of music. You only compete against yourself! ISSMA offers competition levels from the beginner musician to the collegiate level musician. Sheet music will be selected on your current playing level. Solo is open to students in grades 6th-12th.

What is ISSMA Ensemble?

The Ensemble competitions are for groups of 3+ musicians. Just like in Solo, students are judged on how well they performed their piece of music. Ensembles must be pre-approved by Mr. Peterson. Ensembles are open to students in grades 7th-12th.

What is The Masterclass?

To prepare for the ISSMA competitions, we will be offering 7 instrument specific Masterclasses taught by the BEST professional musicians in the Louisville area! Their resumes include the Louisville Orchestra, KY Opera and Ballet, & University Instructors. The Masterclass is open to all band students in grade 6th-12th!

NEW FOR 2017... Recitals!
